*Dear Esteemed Partner.*

It is with deep gratitude and heartfelt appreciation that I write to you, a vital part of this God-given mandate. Through your faithful partnership, we have reached thousands across nations with the message of salvation. Your sacrificial giving has not only resourced this vision, but it has also become part of the very move of God through The Glorious Church. By reason of your sacrificial giving, countless lives are being touched, healed, and restored, nations are being impacted and destinies are being realigned with divine purpose!

Your consistent generosity is a powerful declaration of faith. As you have honoured the Lord with your substance, He will be faithful to pour out over your life supernatural provision, divine favour, and increase in every sphere of your life.

As a ministry, we are witnessing the unfolding of a legacy. From undeniable miracles to the accurate fulfilment of prophetic words, in fields as specific as aviation, sports, geopolitics, and beyond, the hand of God continues to move. At the heart of it, is your partnership. You have played an integral role in ensuring that what God speaks through this prophetic mandate is both declared and demonstrated to the world!

As you read through this newsletter, I invite you to reflect, not only on what has been accomplished but on the greater things that is yet to come. Together, we will continue to carry this assignment with faith and excellence!

Thank you for being my partner in this God-given mandate. You are undoubtedly richly blessed and a partaker of the grace and favour upon The Glorious Church as a result of it!

# THE PROPHETIC PULSE *of 2025*

EMBRACING  
2025  
THE YEAR OF  
**UNUSUAL  
BREAKTHROUGHS**  
ACTS 16:26

On December 31st, 2024, during the Crossover Night Service at the Miracle Dome, Prophet declared 2025 as The Year of Unusual Breakthrough. This declaration wasn't just a theme, but a divine instruction and insight into what the Spirit of God was preparing for His people in the year ahead. This prophetic theme has set a clear trajectory for a year defined by divine encounters and supernatural breakthroughs.

In his message, Prophet emphasized that this year would be characterized by breakthroughs that defy natural expectations and where the laws of limitation would be overturned, urging us to anticipate unprecedented moves of God in our lives. He spoke of divine interventions that would interrupt patterns of delay, lack, and resistance. "Unusual" implies that the breakthroughs to come would be marked by their timing, scale, and impossibility - occurring in places least expected and in ways not previously experienced.

Position yourselves through obedience, consistent confession of the Word, and alignment with God's voice. "In this year," the Prophet declared, "you won't have to force doors open—they will open by divine command." This is a season where the usual rules don't apply, where what took years will now take moments, and what was once stuck will suddenly move.

The declaration of 2025 as The Year of Unusual Breakthrough has since inspired many within the ministry to share testimonies of unexpected blessings and transformations, —stories of debt cancellation, miraculous healing, family restoration, and business expansions— reaffirming the prophetic word delivered during the service.

# PARTNER Spotlight

*A destiny helper who transformed to Transform*

**Q & A WITH JEFFREY VANDERSAY**

*National Cricketer and Partner of Prophet Jerome Fernando Ministries*

**Q: When did you first get connected to the ministry? And how long have you been partnering with us now?**

**A:** I first got connected to the ministry in 2016 and joined TGC in 2018. And my wife and I have been partners since 2019.

**Q: What made you decide to stay committed and continue growing in this ministry?**

**A:** That's an easy answer. It's my Man of God, Prophet Jerome Fernando. The revelations and the undiluted truths he brings to us, along with the impact he made as a mentor in my walk with Jesus and also my family life, have been blessings to me.

**In what ways has partnering in this ministry transformed your career?**

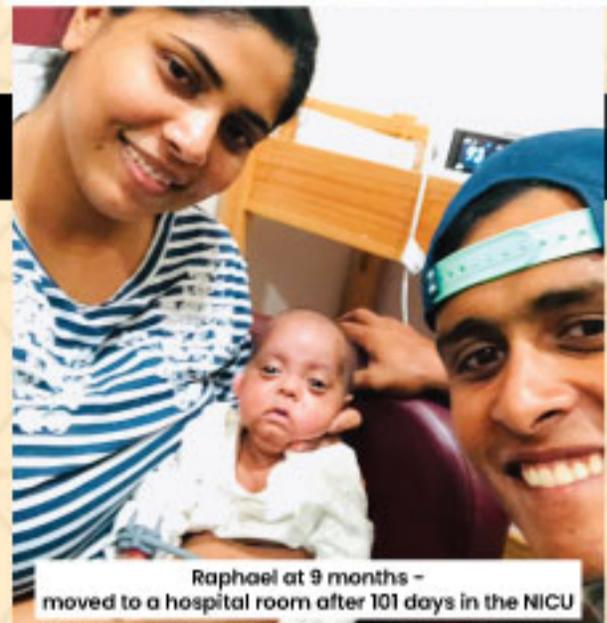

**A:** The ministry transformed my cricket career into a successful one. Being crowned as the highest wicket-taker for Sri Lanka in One Day Internationals in 2022 and being awarded the best One Day International spell in the world in 2024 were 2 big achievements to name.

**Q: You've bowled for your nation with excellence and dedication, but how has this prophetic ministry helped you step up with greater purpose in life, family, and faith? What has changed in your 'personal scoreboard'?**

**A:** Having Prophet Jerome as my spiritual father is an advantage to me and my family. Not only the revelations I get but the guidance I receive to be the head and priest of my family. I don't need to look elsewhere for answers. It's such a relief because I know I won't be wasting any time or money. I know where and what I should be doing. It's clear as day

Big brother Raphael (6 years) with little brother Leon (4 years)

**Q: Was there a moment when you felt like you were bowled out in life and God stepped in with a divine comeback? What was your real 'match winning moment' with Him?**

**A:** There are many instances that I have felt that way. But what stands out the most is my first-born son, Raphael's birth. He was born as an extremely premature baby at 25 weeks, weighing only 600g. Our only hope was God, and with doctors telling us that he would have many complications and illnesses. Today he is 5+ years old, healthy as any other child. No complications and no illnesses. This is not just a "match-winning moment" but a "World Cup-winning moment."

**Q: How has a deeper relationship with Jesus shaped the way you show up publicly?**

**A:** It has shaped me up in a way that I walk with confidence and authority, knowing that even though I get persecuted, I know I have victory no matter what. There is always light at the end of the tunnel.

**Q: What would you say to someone who is hesitant about getting involved or becoming a partner?**

**A:** It's one level to know Jesus and just attend church and give your tithe. And it's a whole other level partnering with the ministry, the prophet of God, and his vision. We have had immense financial breakthroughs in life. Uncountable, to be honest. Many instances that when we had no hope in finances, God came through with a breakthrough.

**Q: What stirred your heart to take that step from being a partner to actively serving in the house of God?**

**A:** I wanted to not just give towards the ministry, but to also be a part of the journey that the ministry is heading towards by serving and to know that "I am a part of this incredible vision." That's an amazing honor.

# THE YEAR OF **TERRITORIAL COMMAND**

## **2026: The Year of Territorial Command**

On 31st December, Prophet Jerome Fernando prophetically declared 2026 as the Year of Territorial Command, ushering the church into a new season of spiritual authority and responsibility.

This year marks a shift from passive faith to active enforcement of God's will. Territorial Command speaks of exercising God-given authority over assigned spaces - families, cities, nations, industries, and spheres of influence.

Prophet Jerome emphasized that true authority flows from alignment with heaven through intimacy with God, obedience, and spiritual discipline. When alignment is correct, believers are empowered to command, govern, and establish God's order in their territories.

For those who missed the service or wish to revisit the prophetic declaration, the full sermon is available on **YouTube**:
