Second Edition 2026

Dear Esteemed Partners,

I extend my heartfelt gratitude to each one of you for standing faithfully with me and the vision of this ministry. Through your prayers, service, sacrifice, and generous giving, you have enabled us to carry the Gospel across Sri Lanka and the nations, reaching countless lives with the transforming power of Jesus Christ.

We now stand on the threshold of another extraordinary vision: The Miracle Dome City.

On 1st January 2027, during our Crossover Service, we will lay the foundation stone for this historic Kingdom assignment: a 7-acre site with 1,500-bed accommodation, an open-air crusade ground for 24,000, and other facilities. The Miracle Dome City will be an epicentre of encounter, welcoming people from Sri Lanka and across the world for prayer, healing, deliverance, restoration, and Salvation in Christ Jesus.

This is far more than the construction of buildings and facilities; it is a Great Commission mandate; a visible expression of an eternal purpose. Every soul saved, every life restored, every miracle witnessed, and every family transformed will become part of its enduring testimony.

Therefore, I invite you, my faithful partners, to embrace this historic vision with me at this God-appointed moment and build a legacy that will outlive us. Every seed you sow becomes part of a foundation upon which generations will encounter the living Christ.

As you sow into this fertile soil, I declare a Hekaton, a hundredfold blessing over you. May your seed speak, your sacrifice yield an abundant harvest, and your faithfulness come into divine remembrance. May God prosper and multiply the work of your hands, and may the blessing of your obedience extend beyond you to your children and generations after them.

Together, let us build today what is closest to God's heart: souls!

God bless you abundantly,
Prophet Jerome Fernando

PARTNERS CONFERENCE 2026

Partners united for next Phase of Growth

The Partners Conference 2026 was a significant gathering that brought together our partners, committed to advancing the vision and mission entrusted to our Man of God.

A key focus of the conference was the importance of partnership and the collective responsibility of furthering the work that God has called the ministry to accomplish. This was further exemplified during the Q&A session hosted by Director Ronan Fernando alongside the panelists which consisted of Pastor Paranitharan, Pastor Evangeline Paranitharan, Pathum Kularathna and Shehani Kularathna.

“
Partnership is not
simply about giving-
its about carrying
the vision

On Day 1 of the conference the Prophet ministered on the “Partner Quadrant”, which consists of four key elements: the church, the partner, the vision and the money. Through this message the Prophet of God broke down the importance of the role of a partner and the correlation between the partner and the other components in the quadrant.

“Partner Quadrant”

On Day 2 of the conference, the revelation of the “Global Depression” was unveiled to us. Prophet Jerome equipped the partners with the seven practical strategies to navigate a "Global Depression"

The partners left with renewed clarity, strengthened commitment, and a greater sense of purpose and understanding to continue building, supporting, and championing the vision in the years ahead.

Revival Across Nations

International Prayerline

Australia & United Kingdom

The months of June and July 2026 marked a defining chapter in the global expansion of Prophet Jerome Fernando Ministries. As Prophet Jerome Fernando travelled to Melbourne and London; the cities were awakened, and thousands encountered the Power and Presence of God in ways they had never experienced before. From extraordinary healings and prophetic ministration to the salvation of souls, the Lord moved mightily leaving a permanent international imprint across both nations.

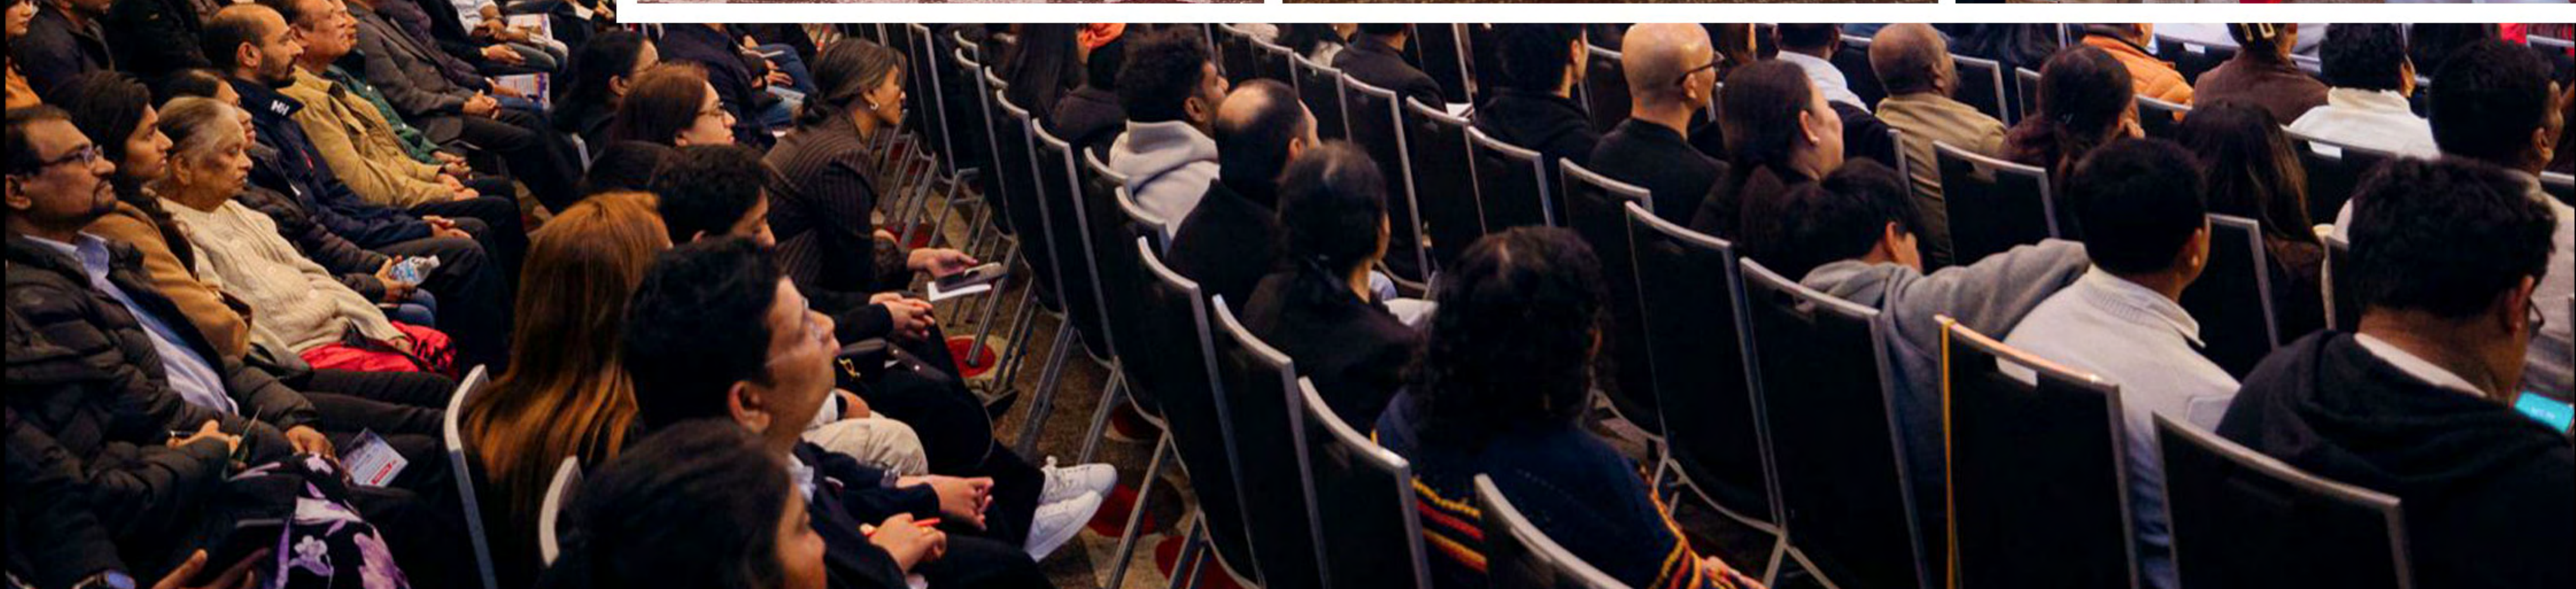

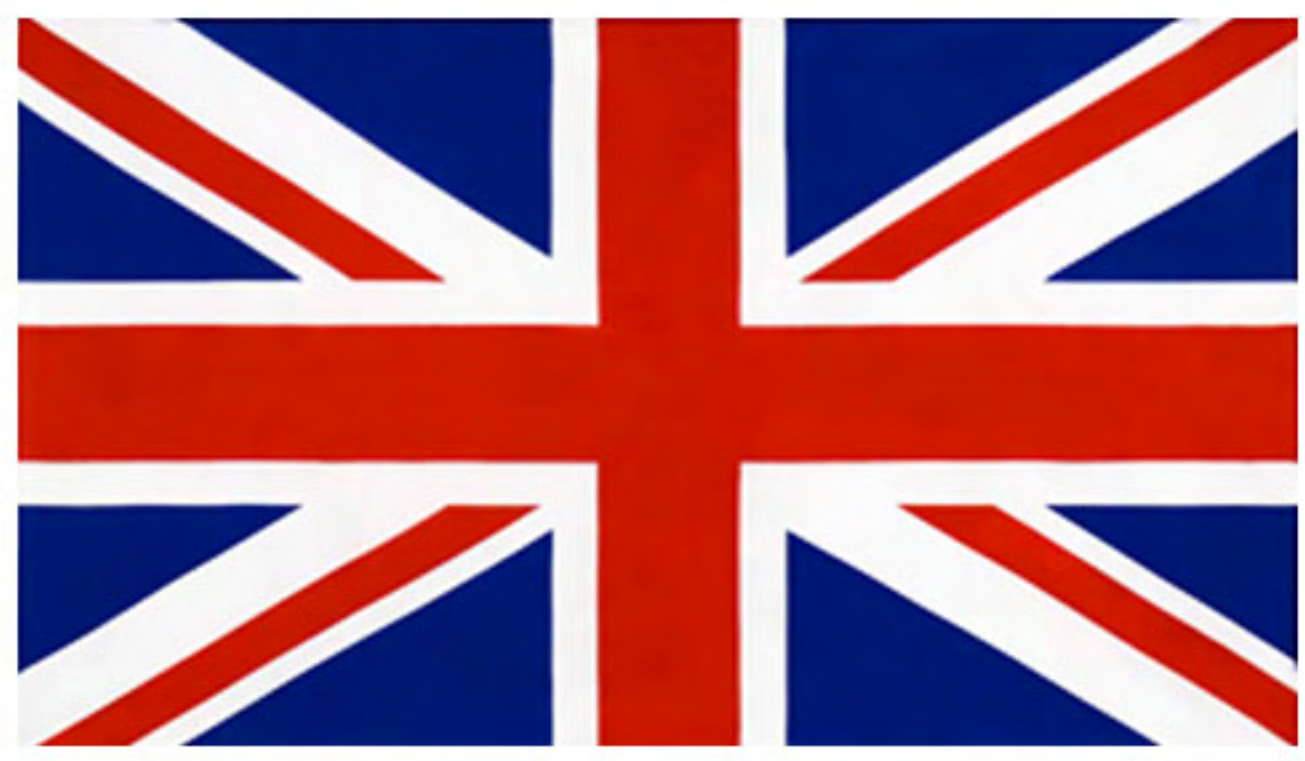

INTERNATIONAL PRAYERLINE AUSTRALIA

We witnessed unprecedented numbers in Melbourne as a multitude assembled for International Prayerline Australia. The response was unlike anything Australia had witnessed, for a gathering of that scale to congregate at an event, by a Man of God all the way from Sri Lanka, hosting a service of this caliber.

INTERNATIONAL PRAYERLINE UNITED KINGDOM

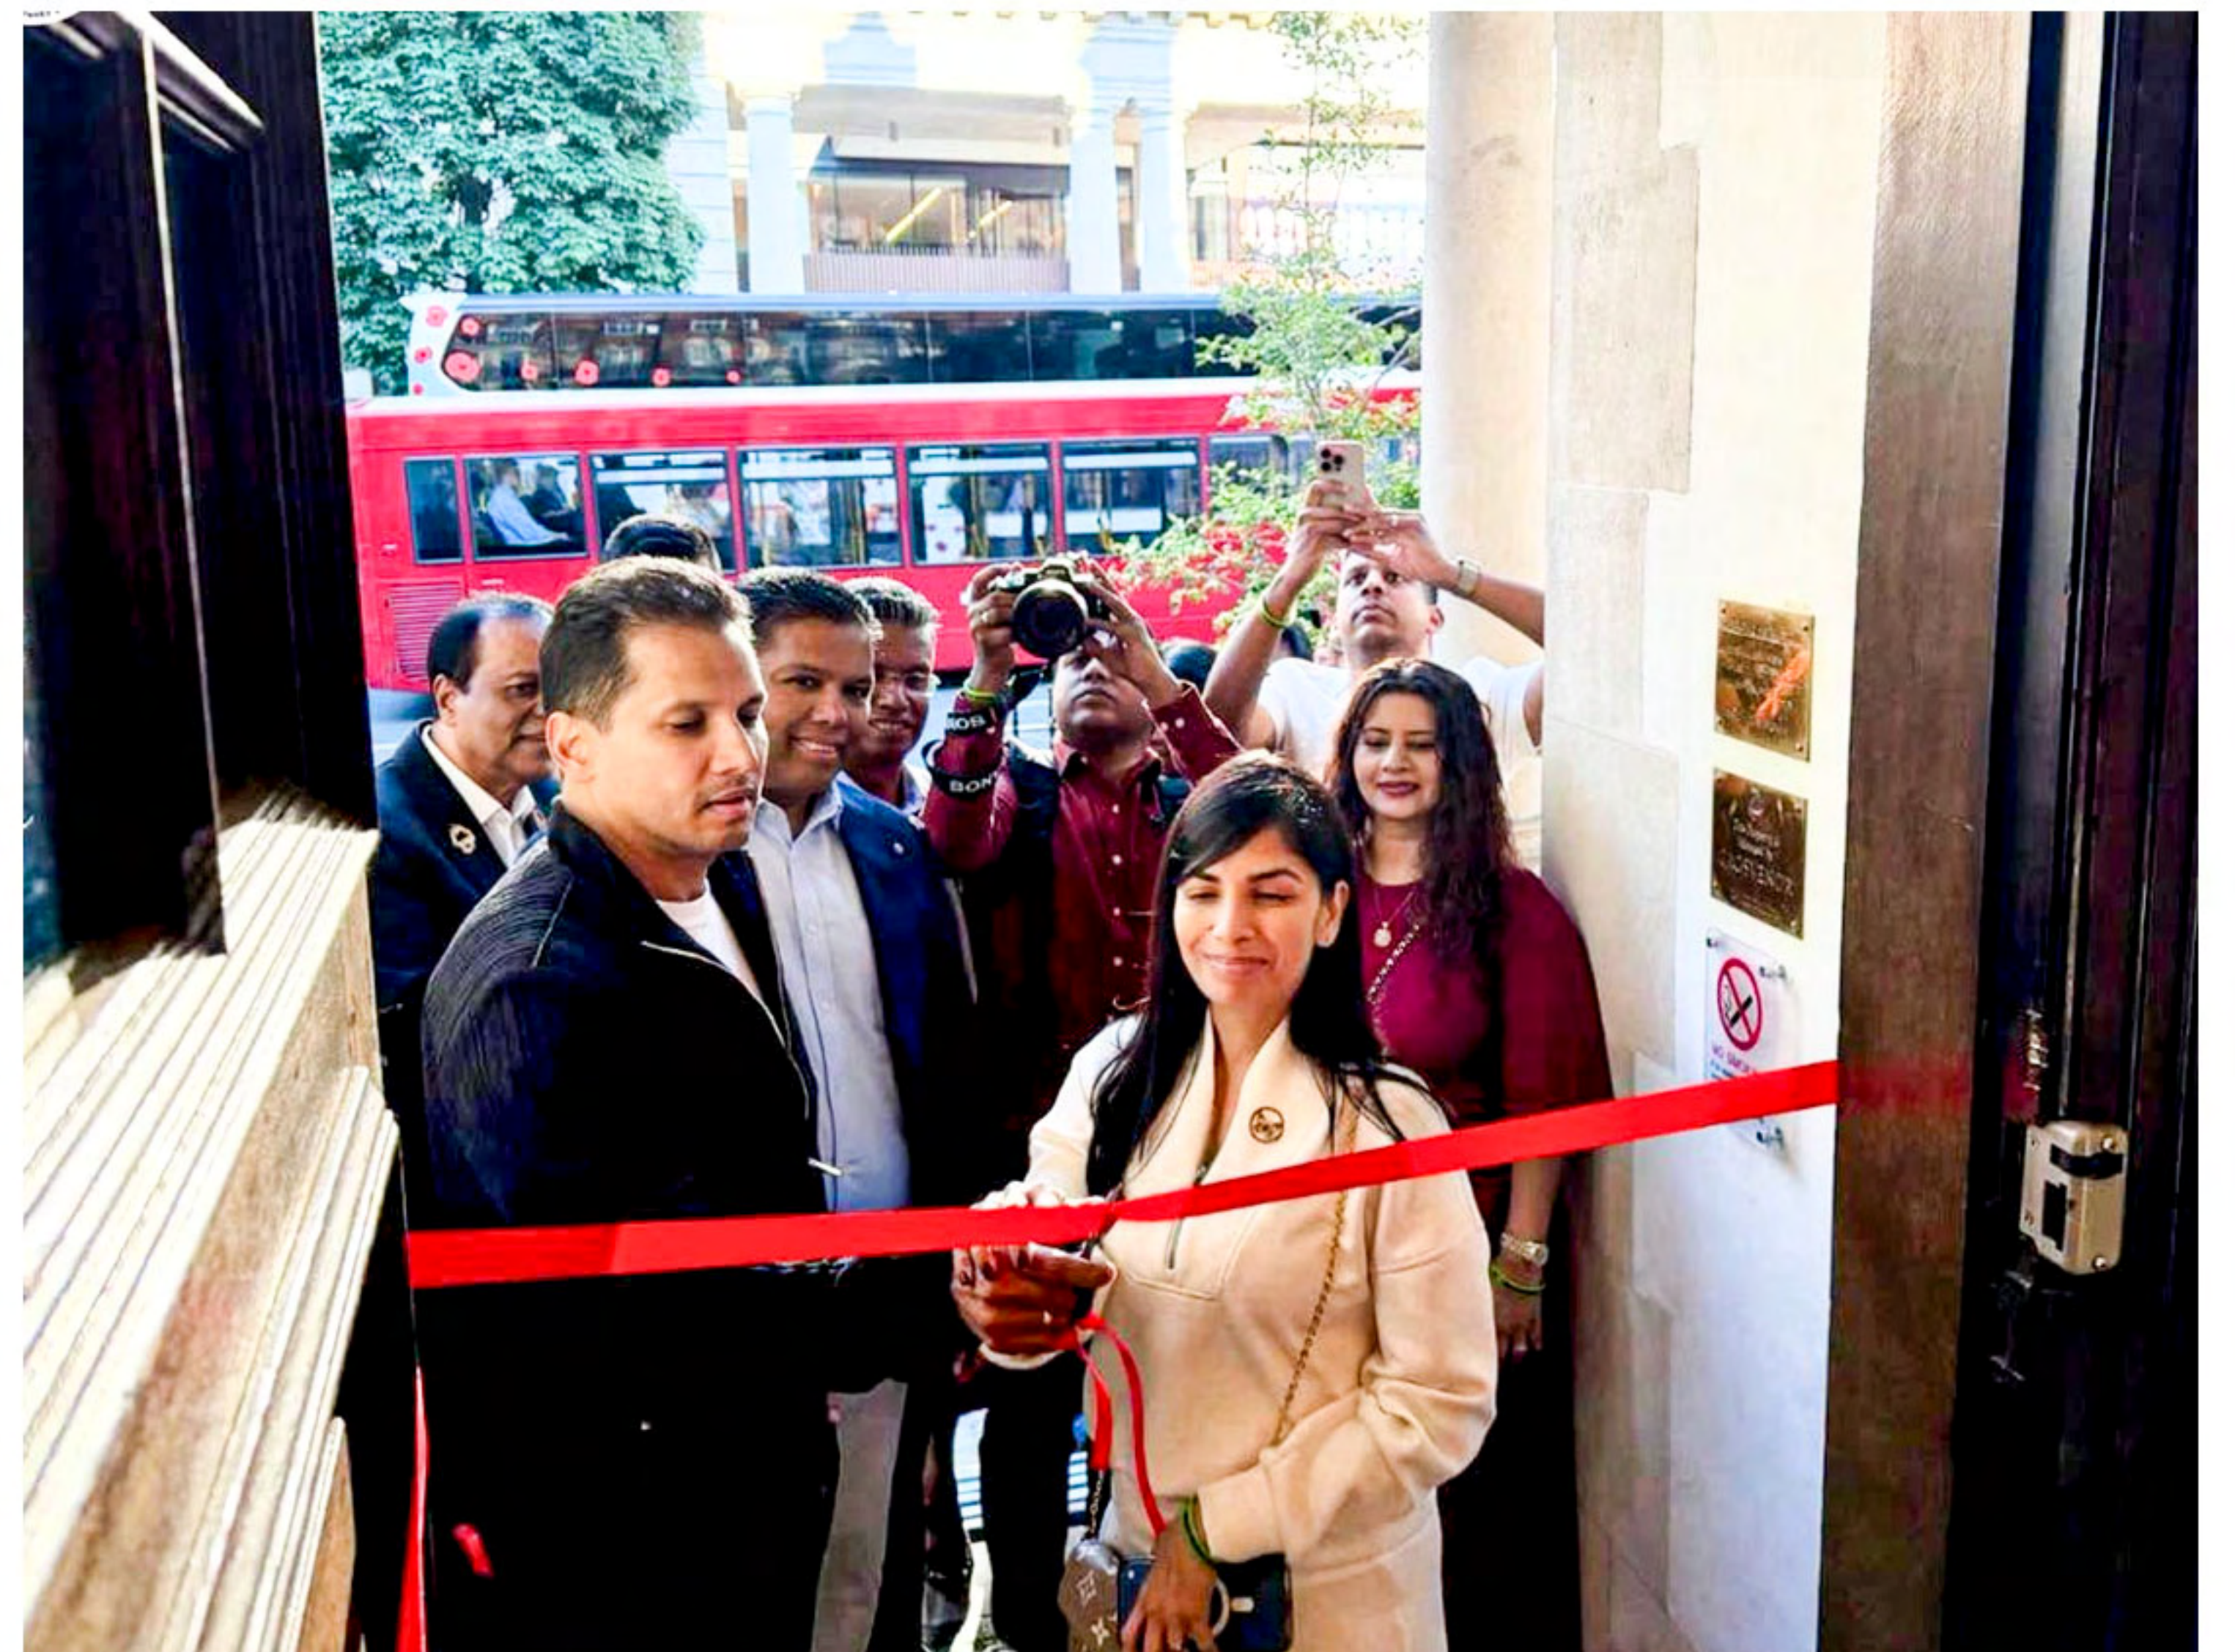

Subsequently, Prophet Jerome Fernando visited the United Kingdom, where another historic season unfolded. This visit marked the beginning of a new era for the work of God in the United Kingdom.

A major milestone was achieved with the official registration of **The Glorious Church** as a legal entity under the Charity Commission for England and Wales. This landmark achievement established a permanent foundation for the ministry's future within the United Kingdom.

Another significant milestone which followed was the inauguration of the very first Prophet Jerome Fernando Ministries Office established outside Sri Lanka. Situated along **Buckingham Palace Road in London**, this office stands as a strategic base for the continued expansion of the Gospel throughout the United Kingdom and beyond.

THE GLORIOUS CHURCH NUWARA ELIYA BRANCH

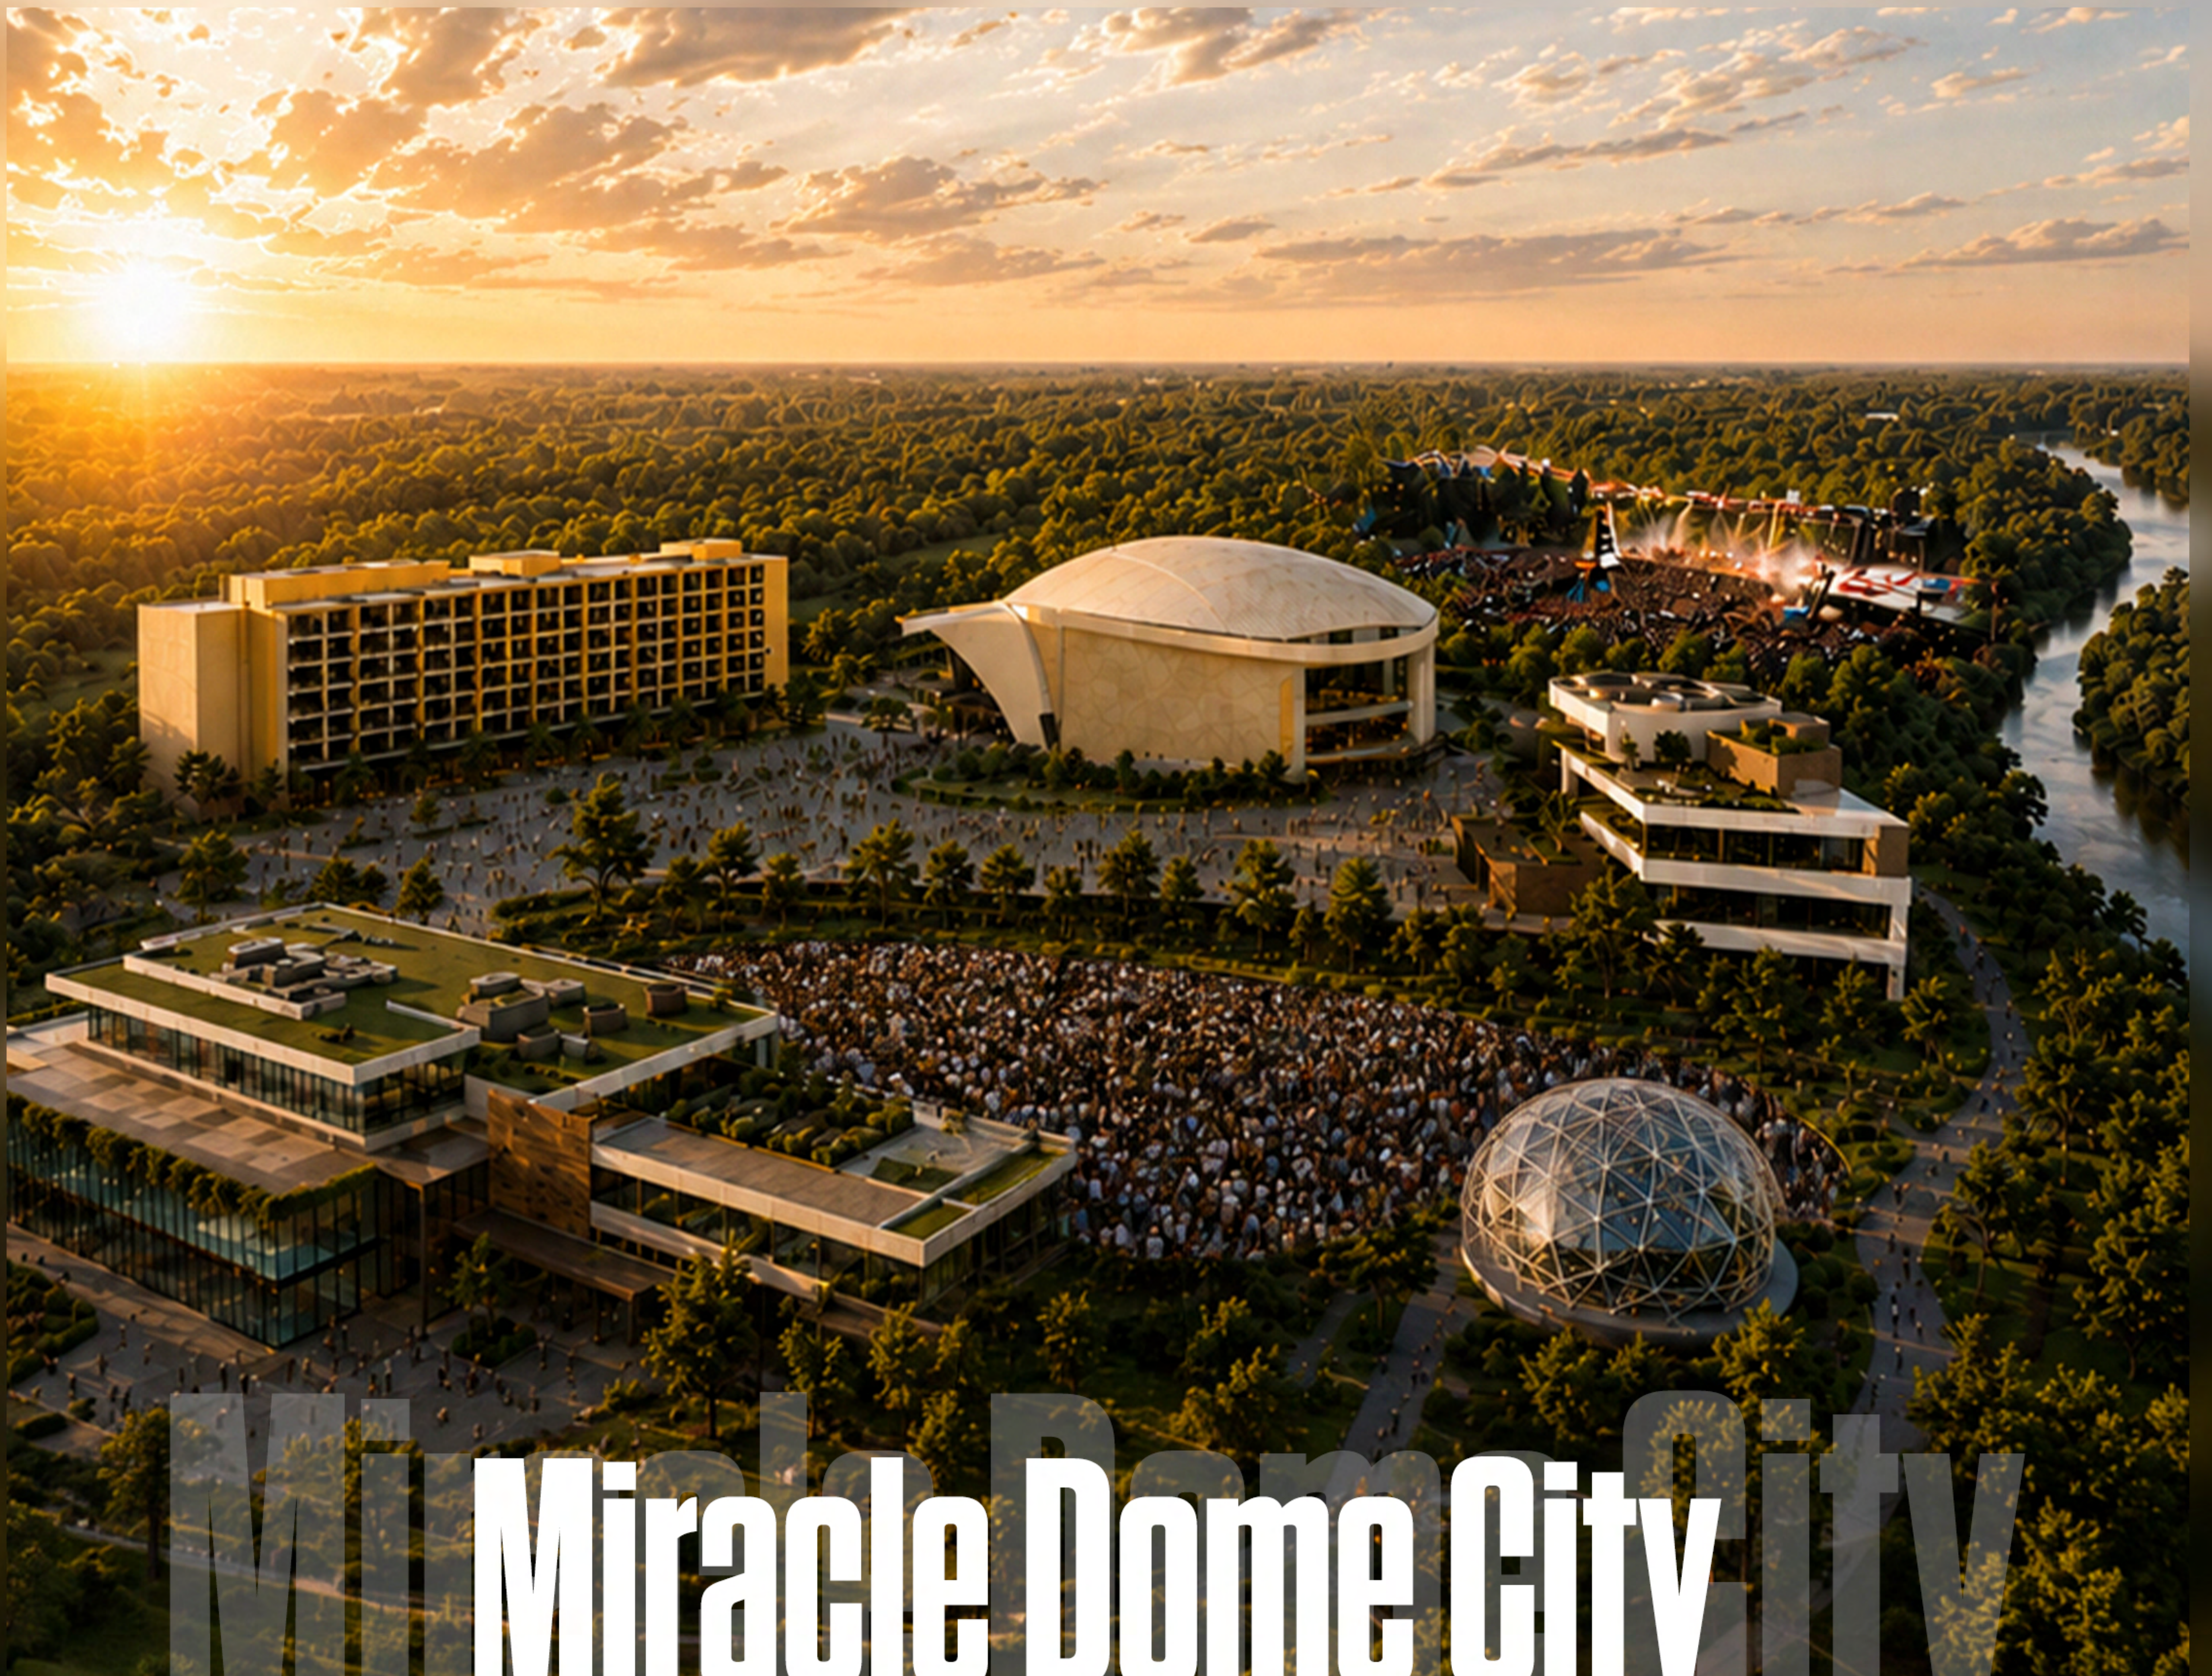

Opens its Doors

The branch was officially officiated and dedicated by Director **Pastor Andrew**, marking the beginning of a new chapter of ministry in Nuwara Eliya.

The opening service welcomed **285 people**, demonstrating a strong response from the local community and surrounding areas.

The branch is expected to benefit hundreds of families across Nuwara Eliya and the surrounding hill-country communities, providing spiritual covering, practical support, and opportunities for individuals of all ages to grow in their relationship with God.

Miracle Dome City is a monument where countless lives will be forever changed, numerous prayers will be answered, and multitudes will encounter the power of God.

At the heart of this vision is a 1,500-bed facility - created to provide a safe place of rest and refuge for those who will come seeking healing and a touch from God.

Imagine travelling from far away, carrying a burden, a sickness, or a prayer that you have carried for years — and arriving at a place where you don't have to turn around and leave because you have nowhere to stay. Here, there will be a bed to rest in. A safe place to recover.

And just steps away, the Miracle Dome City crusade grounds will create space for 24,000 people to gather and encounter God-thousands lifting their voices together, believing for healing, restoration, salvation, and breakthrough.

The Miracle Dome City is a place being prepared for people...

People who need hope, people who need healing,
And every bed, every space, and every part of Miracle Dome City represents an opportunity to make that encounter possible.

Your giving can help build the place where thousands will come seeking God - and where thousands more will find hope, healing, rest, and a reason to believe again.

We invite all partners who would like to participate in this vision to prayerfully consider sowing towards the Miracle Dome City.

A Pivotal Moment in the Vision

On 22 August 2026, THE HOUR OF PROSPERITY marked a pivotal moment in the timeline of The Glorious Church.

Invited Partners stepped onto the Miracle Dome City Land, standing in faith that their sacrificial sowing is building a legacy for generations.

Prophet Jerome Fernando released a word bringing renewed revelation on the connection between the physical and spiritual realms, followed by the anointing of the land and declarations over the multitudes who will one day gather there.

What is open land today will become a self-sufficient city tomorrow, built with purpose and destined for eternal impact.

Thank You for Making the Journey Possible

Every week, hundreds travel from across Sri Lanka on nearly 50 buses to Miracle Dome-seeking healing, guidance, and a deeper life in Christ. Through your partnership, the God-given vision reaches people in rural areas who may never have been able to make this journey on their own. In the first half of the year, LKR 36 million was spent on travel, with Ministry Partners and believers each bearing 50%.

Your partnership removes barriers, carries hope, transforms lives, and helps make every journey to Miracle Dome possible.
